

BALANCE4kids

Balance4kids will be hosting an informational training by
Dr. Heidi Morgan , BCBA-D (Board Certified Behavior Analyst)

Everyday Behavior Analysis

Sample of Areas Covered in this Two-Day Course:

- What is a behavior analyst and what support can they offer?
- History of behavior analysis and principles it is based on
- Meaningful data tracking measures and how to use them
- Understanding the “why” of behavior using procedures called functional assessment
- Writing goals that are clear, able to be tracked and meaningful
- Skill development across “can’t do”, “won’t do”, and “does, but not well” skills
- Preventative versus reactive interventions
- Person-centered planning in behavioral settings
- Monitoring implementation with treatment integrity and validity in mind

(See next page for schedule)

Bio: Dr. Heidi Morgan is board certified as a behavior analyst (BCBA-D) by the Behavior Analyst Certification Board and credentialed School Psychologist. She has worked in the field of developmental disabilities since 1993 in numerous certified residential- and school-based positions. Dr. Morgan consults with Level 4I facilities throughout the San Andreas Regional Center catchment area and is licensee of three Level 4I facilities in Santa Cruz County. She has a host of special interests, one of which includes photographing persons with developmental disabilities and their caregivers.
