Join us for an informative presentation by
Dr. Heidi Morgan , BCBA-D (Board Certified Behavior Analyst)

Can't We All Just Get Along?

We must each strive to support a delicate balance of asserting boundaries while lending support to members of the IEP team -- parents included. Sometimes, this boundary is harder to achieve because it is not accepted, other times because it is new, etc. The focus of this evening will be to offer participants an opportunity to share, give examples, and to be heard.

Although our discussions are general in nature, participants may leave with new tools and ideas that have worked for others.

We welcome your participation!
