Dr. Heidi Morgan , BCBA-D (Board Certified Behavior Analyst)

Safety in the Classroom

Being aware of one's surroundings is a great starting point towards maintaining safety and the classroom. This sessions will discuss some of the classroom variables that may threaten safety, as well as to provide talking points on how to remediate those variables.

Bio: Dr. Heidi Morgan is board certified as a behavior analyst (BCBA-D) by the Behavior Analyst Certification Board and credentialed School Psychologist. She has worked in the field of developmental disabilities since 1993 in numerous certified residential- and school-based positions. Dr. Morgan consults with Level 4I facilities throughout the San Andreas Regional Center catchment area and is licensee of three Level 4I facilities in Santa Cruz County. She has a host of special interests, one of which includes photographing persons with developmental disabilities and their caregivers.
