

BALANCE4kids

Join us for an informative presentation by
Dr. Heidi Morgan , BCBA-D (Board Certified Behavior Analyst)

Sensory Experiences and Their Impact on Learning and Performance II

This session will be a follow up to the fall 2015 introduction that we had to sensory experiences. In this session, we will relate tangible/sensory to functional assessment, and therefore purpose of behavior. Join us!

Bio: Dr. Heidi Morgan is board certified as a behavior analyst (BCBA-D) by the Behavior Analyst Certification Board and credentialed School Psychologist. She has worked in the field of developmental disabilities since 1993 in numerous certified residential and school-based positions. Dr. Morgan consults with Level 4I facilities throughout the San Andreas Regional Center catchment area and is licensee of three Level 4I facilities in Santa Cruz County. She has a host of special interests, one of which includes photographing persons with developmental disabilities and their caregivers.
