BALANCE 4 KIDS

Community Tuesday Night

The Community Tuesday Program is an excellent opportunity for Balance 4 Kids to raise funds effortlessly while members and supporters socialize, network, and enjoy a delightful evening at an award-winning restaurant. Shadowbrook donates one-third of the evening's sales to our organization! Make your reservations directly with Shadowbrook Restaurant as early as 28 days prior to the event date above. In order to avoid confusion when making reservations, let the receptionist know who you are dining for. You may also wish to enjoy appetizers and cocktails in our Rock Room Lounge, by letting your server know your group affiliation; you may participate also. Any promotional prices, however, will not be applied.
