

# BALANCE4kids

Join us for an informative presentation by  
**Dr. Heidi Morgan , BCBA-D (Board Certified Behavior Analyst)**

## Addicted to Electronics

This session will apply to participants as well as to the learners they serve. Our society is built around having access to entertainment and information, on demand and, therefore, without delay. Come to this session to find out the risk of addiction to our electronics, as well as to help identify proactive boundaries around their use.

Bio: Dr. Heidi Morgan is board certified as a behavior analyst (BCBA-D) by the Behavior Analyst Certification Board and credentialed School Psychologist. She has worked in the field of developmental disabilities since 1993 in numerous certified residential- and school-based positions. Dr. Morgan consults with Level 4I facilities throughout the San Andreas Regional Center catchment area and is licensee of three Level 4I facilities in Santa Cruz County. She has a host of special interests, one of which includes photographing persons with developmental disabilities and their caregivers.
