Dr. Heidi Morgan , BCBA-D (Board Certified Behavior Analyst)

Aggressive Behavior -- from Tracking to Intervention

When working with individuals with interfering maladaptive behaviors, there are some important considerations to take into account -- starting with tracking of "topographies" and ending with interventions appropriate to the level of force. Participants will engage in discussion on these topics and leave with ideas for tracking without intensifying student records.

Bio: Dr. Heidi Morgan is board certified as a behavior analyst (BCBA-D) by the Behavior Analyst Certification Board and credentialed School Psychologist. She has worked in the field of developmental disabilities since 1993 in numerous certified residential- and school-based positions. Dr. Morgan consults with Level 4I facilities throughout the San Andreas Regional Center catchment area and is licensee of three Level 4I facilities in Santa Cruz County. She has a host of special interests, one of which includes photographing persons with developmental disabilities and their caregivers.
