

# BALANCE4kids

Join us for an informative presentation by  
**Dr. Heidi Morgan , BCBA-D (Board Certified Behavior Analyst)**

## Career Chat

Come join us for a Career Chat. We are using the free-flowing style of the Fireside Chat to be able to give you an opportunity to be heard. Many of our Balance aides are blossoming into new roles, new or eventual careers and specialties -- and sometimes altogether different paths. Yet others are honing in on their desired age group. Come join us if you have ideas or want to hear others'.

Bio: Dr. Heidi Morgan is board certified as a behavior analyst (BCBA-D) by the Behavior Analyst Certification Board and credentialed School Psychologist. She has worked in the field of developmental disabilities since 1993 in numerous certified residential- and school-based positions. Dr. Morgan consults with Level 4I facilities throughout the San Andreas Regional Center catchment area and is licensee of three Level 4I facilities in Santa Cruz County. She has a host of special interests, one of which includes photographing persons with developmental disabilities and their caregivers.
