Join us for an informative presentation by
Dr. Heidi Morgan , BCBA-D (Board Certified Behavior Analyst)

Holiday Blues vs. Bliss

Many of us look forward to the holidays and the cultural experience of repeating those family or friendship rituals. Others of us dread the holidays and the changes that they bring. During this session, our participants will explore ways to both enjoy, and to support , a smooth holiday season. After all, there are more holiday months than non-holiday months to practice these skills!

Bio: Dr. Heidi Morgan is board certified as a behavior analyst (BCBA-D) by the Behavior Analyst Certification Board and credentialed School Psychologist. She has worked in the field of developmental disabilities since 1993 in numerous certified residential- and school-based positions. Dr. Morgan consults with Level 4I facilities throughout the San Andreas Regional Center catchment area and is licensee of three Level 4I facilities in Santa Cruz County. She has a host of special interests, one of which includes photographing persons with developmental disabilities and their caregivers.
