Safe Management of Precursor and Peak Behavior

Knowing our own escalation cycles can work miracles for our self care regimens. Knowing the escalation cycles of our students can prevent imminent threats to the health and safety of both staff and students. Join us for a discussion of precursor (i.e., early escalation) and peak behaviors!

Bio: Dr. Heidi Morgan is board certified as a behavior analyst (BCBA-D) by the Behavior Analyst Certification Board and credentialed School Psychologist. She has worked in the field of developmental disabilities since 1993 in numerous certified residential- and school-based positions. Dr. Morgan consults with Level 4I facilities throughout the San Andreas Regional Center catchment area and is licensee of three Level 4I facilities in Santa Cruz County. She has a host of special interests, one of which includes photographing persons with developmental disabilities and their caregivers.
